BEFORE YOU PRINT

How to Use These Certificates

Four keepsake certificates, each on its own landscape page. Print only the one you need, fill it in by hand, and have it signed on the day. Every certificate carries a verse from the King James Bible.

Certificate of Water Baptism

PAGE 4

Child's Certificate of Baptism

For churches that dedicate babies and baptize later. 1 Samuel 1:27-28.

PRINTING

- **Paper:** white or ivory cardstock (65 to 110 lb, 176 to 300 gsm) looks best. Plain paper works for a practice copy.
- **Settings:** choose "Actual size" or 100%, landscape, and the paper size you have (US Letter or A4 file).
- **Frame it:** each certificate fits a standard 8.5 x 11 in (or A4) document frame.

FILLING IN

- Write the name in your best hand or calligraphy with a fine black or brown pen. Practice on a plain-paper copy first.
- Fill in dates and places before the service, then sign on the day: the pastor or officiant, and a witness or parent.
- Leave the circle blank or press your church's seal or stamp inside it.

A keepsake, not an official record. These certificates are for remembering the day. If you need proof of baptism for marriage, membership or confirmation, ask the church where you were baptized for a copy from its register.

"Then they that gladly received his word were baptized: and the same day there were added unto them about three thousand souls."

“Therefore if any man be in Christ, he is a new creature: old things are passed away; behold, all things are become new.”

Baptism is a beginning. The best way to keep the day close is to keep God’s Word close: one verse learned, one passage read, one prayer at a time.
