BEFORE YOU BEGIN

How to Use This Plan

This plan reads the whole Bible in canonical order, the order of the books in your Bible, from Genesis 1 to Revelation 22. Every one of the 1,189 chapters appears once, and each day is sized by word count so no day is much longer than another.

- 1 Pick a start date.** January 1 is popular, but any day works. If you start mid-year, write your own dates in the Date column and simply follow the day numbers.
- 2 Read the day's chapters.** Most days take about 12 minutes. Read slowly; aloud if you can.
- 3 Check it off.** Tick the box on the monthly page, then color in the matching dot on the year tracker.
- 4 Write one line.** Note a verse, a question, or a prayer. A SOAP page works well for this.
- 5 Missed a day?** No guilt. Pick up today's reading, and catch up on a quiet weekend if you like.

GOOD TO KNOW

Each day is a few chapters in a row. Long chapters (like Psalm 119) get a day of their own, and short ones are grouped, so most days take about the same time.

Leap year? Use February 29 as a catch-up or rest day; the plan has 365 readings.

"O how love I thy law! it is my meditation all the day."

PSALM 119:97 (KJV)
